

Core Hands Cured

I WAS troubled with hands so sore that when I put them in water the pain would not let me rest, the skin would peel off, and the flesh would get hard and break, then the blood would flow from at least fifty places on each hand. Words can never tell the suffering I endured for three years. I tried at least eight doctors, but my hands were worse than when I commenced doctoring. I tried every old remedy that was ever thought of, but without one cent's worth of good and could not even get relief. I would feel so badly mornings when I got up, that I had to go to work and stand pain for eight or nine hours, that I often felt like giving up my job, which was in the bottling works of Mr. E. L. Kerns, the leading bottle of Trenton, N. J., who will vouch for the truth of my sufferings. Before I could start to work, I would have to wrap each finger on both hands, and then wear gloves, which I hated to do, for when I came to take them off, it would take two hours and the flesh would break and bleed. Some of my friends who had seen my hands would say, "If they had such hands they would have them amputated," others would say "they would never work," and more would turn away in disgust. But thanks to CUTICURA, the greatest of skin cures, I ended all my sufferings. Just to think, after doctoring three years, and spending dollar after dollar during that time, CUTICURA cured me. It has been two years since I used it and I do not know what sore hands are. I never lost a day's work while I was using it or since, and I have been working at the same business, and in acids, etc.

BEGGS' GERMAN SALVE
Instantly relieves and positively heals cuts, wounds, scalds, bruises, burns, sore stings, etc., and does positively and permanently cure the piles. Forty years ago the first box was made for sale by the great German physician Dr. Schless. Today there are more of it sold than of any other healing ointment. It is the great antiseptic relieving and curing household salve of this country. No other equals it. It costs 25 cents at your dealers or by mail prepaid. This is a remedy that will pay you actual dollars and save suffering by keeping it constantly in your house, for occasions so often occur when if instant application is not made of a proper relieving, curing and inflammation preventing remedy, time is lost, subsequent avoidable suffering caused and perhaps doctor bills made necessary by delay and neglect. White Man Turned Yellow.
Great consternation was felt by the friends of M. A. Hoggart, of Lexington, Ky., when they saw that he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves it matches merit for all stomach, liver and kidney troubles. 25c. Sold by People's and Farnham's Drug stores.

Attorney P. G. West, of Muskogee, returned home Saturday morning.

Mrs. Birch Burnett was brought in from White Oak to her mother's home Friday, very sick.

How many child tonics have stood the test of ten or fifteen years—few, very few. Cheatham's child tonic has done so. Cheatham's Laxative child tonic (tablet form) embodies all the good qualities of the old style in a neat compact form of tablets. Swift, safe and sure. Can carry in vest pocket; fully guaranteed; price 25c. w.

The Carthage excursionists returned Friday night very much exhausted by the excessive heat of the day.

There is no longer an excuse for anyone to endure the torture inflicted by piles when Tabler's Buckeye pile ointment will cure them, a remedy so moderate in price and so effective. Price 50 cents in bottles. Tubes 75 cents. People's drug store.

The Presbyterian Sabbath school has supplied itself with new song books.

Children often cry, not from pain, but from hunger, a thought fed abundantly. The trouble arises from inattention; their food is not assimilated, but devoured, by worms. A few doses of White's Cream Vermifuge will destroy the worms, when the children will begin to thrive at once. Price 25c. People's drug store.

Mrs. Dr. Shinn, of Monroe, is visiting President Brewer's family, at the Willie Haisell college.

If the stomach, liver and bowels fail to perform their functions regularly and naturally, the blood becomes contaminated with impurities, and the whole system is in consequence debilitated. Herbine is remarkable for its efficacy in curing the ailments of summer, and the disorders prevalent during hot weather. Price 50c. People's drug store.

Dr. Linn and D. A. Harvey came down from Wyandotte on business Saturday.

A Postmaster Writes:
"I wish to add my testimonial to the genuine merit of Dr. Caldwell's Syrup Pepsin. I have tried many remedies but have found your Syrup Pepsin, superior to all other laxatives and stomach medicines. My wife and I both use it and know it does all that you claim for it."

Yours sincerely,
C. O. KINSIE.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's catarrh cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving to the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Hall's Family Pills are the best.

Moist Place.
There is evidently no drought in the Philippine Islands. An order from Rudolph Haggard, was received at the Jumbo this morning for a slicker and a pair of gum boots. It is reported that Tom Brackett, his received a similar communication from the well mounted soldier, in regard to his steamboat.

Druggist Takes Customers' Advice.
Mound City, Kan., Oct. 22, 1900.—Dear Sir:—I wish to add my endorsement and recommendation as to the merits of Dr. Caldwell's Syrup Pepsin. I have sold it as a druggist and it always gives satisfaction, and my customers are loud in its praise. I, myself, had been troubled with my stomach, and hearing so many of my customers speaking of Syrup Pepsin, I tried it with the result that it cured my trouble. I unhesitatingly recommend Dr. Caldwell's Syrup Pepsin as a laxative and stomach remedy. Yours truly,
J. M. HAWKINS.
Sold by People's Drug store.

Judicial Boomerang.
A civil case, based on the replevin of some stock and farm implements by Lewis Temple from J. A. Phillips, punctuated the long docket of criminal cases in Commissioner Standfield's court last week.

It was much in the nature of a boomerang for the plaintiff Temple, the jury returning a verdict for the defendant and adding \$20 damages, for the unlawful detention of his property.

Late Literary News.
It is probably true that almost every man has in him certain qualities which would draw some woman to him, but it is difficult to frame a statement in general terms of "What Women Like in Men." This is the task which a very well-known author, under the non-descriptive of flatford Pyke, has undertaken in the Cosmopolitan for July in a clever essay, which proves him to have made woman the subject of thorough observation and comprehensive study. "The foreign girl," says the author, "marries the man with whom she will be unhappy."

Steer Annihilator.
Fam Cobb is an artist with the rope. In a pinch he can not only stop the riotous career of a stampeded steer with neatness and dispatch, but he can jolt him across into those grazing lands, from whence no steer ever returns.

An exhibition of his powers, at the Woodmen's picnic Friday, added barbed beef to the elaborate menu. It is not known whether visions of the luscious tenderness inspired Samuel or simply a desire to permanently cure the evil disposition of the fractious bovine. Samuel won whichever way he was playing. The steer, an unusually wild one, had by his wondrous agility, placed Samuel far away from the prize, depending on the dispatch with which the animal was roped and tied. But when the opportunity came, scores were evened and the mad career of the aggravated bovine was suddenly checked. There was a crack and a gurgle, four dust-covered hoofs turned gracefully upwards, and it was found that a section of the spinal vertebrae had been neatly uncoupled. The juicy steaks that he contributed to the subsequent entertainment, was a fitting conclusion to the star act that he performed earlier in the day.

Robt A. Caples, formerly of this paper, but now of the South McAlester News, came up Friday night on a brief visit.
